To whom It may concern,

I'm writing this letter to express how highly interested I am to apply for this job since I think it would be an incredible opportunity for me to be able to work and grow with a company such as yours.

I believe that my skillset and experience is in accordance with the job position. I consider myself an honest person, applied and committed to what I do. I accept criticism constructively, I tolerate well working under pressure and one of my strengths is resilience, which allows me to adapt to any situation.

I believe that my rule of thumb and ways of doing things matches your company principles. I sincerely hope that I can grow and work with such a transparent and multicultural environment and looking forward to participate as a motivated contributor.

Thank you for your consideration.

Sincerely,

Yiqun Lin.
